Dear trappers, volunteers and club members,

On behalf the families we serve, we would like to express our heartfelt thanks for your tireless efforts and in making our 5th Anniversary Sporting Clays Fundraiser to benefit the Ronald McDonald House of Connecticut so very successful.

After 155 nights at Ronald McDonald House of CT, we are going home!

We are pleased to announce that, with your help, we were able to raise over \$64,000 from this year's event.

This event truly could not happen without the support and dedication of the Club and its members. The course is praised year after year for its challenging stations, beautiful layout and pristine conditions. All of the trappers are encouraging, kind and accommodating. You provide education, professionalism, ensure the highest level of safety and share your passion for the sport. You are an essential piece of what brings our attendees back year after year and we are so grateful.

This year, more than ever, your support of Ronald McDonald House families is crucial. The pandemic caused cancellations of our fundraisers, increased costs for PPE and additional cleaning and disinfecting supplies. Throughout these past months, one thing remained – families with hospitalized children that needed our services and your help. Your generosity provides us with the ability to offer a safe and comforting environment at the Ronald McDonald House of Connecticut where the entire family can safely stay together when it matters most. The families who need our House are ordinary people in extraordinary circumstances. Their courage and determination is inspiring, as they face unimaginable challenges and uncertainty.

We would like to thank our major sponsors:

Presenting Sponsor: National Shooting Sports Foundation

Diamond Sponsor: Baron Technology, Inc.

Golf Cart Sponsor: Janney Montgomery Scott Inc.

Breakfast Sponsor: Trefz Family McDonald's Restaurants

Partnering Sponsor: Kids & Clays Foundation
